| Clonality                   | Monoclonal                                                                                                                                           |
| Clone                       | 336016                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                   |
| Isotype                     | IgG2a                                                                                                                                                |
| Conjugate                   | Biotin                                                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                           |
| Buffer                      | PBS                                                                                                                                                  |
| Product Description         |                                                                                                                                                      |
| Host                        | Mouse                                                                                                                                                |
| Gene ID                     | 673                                                                                                                                                  |
| Gene Symbol                 | BRAF                                                                                                                                                 |
| Species                     | Human, Mouse, Rat                                                                                                                                    |
| Specificity/Sensitivity     | Detects human, mouse, and rat B-Raf . No cross-reactivity with recombinant human Raf-1 is observed. Cross-reactivity with A-Raf has not been tested. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human B-Raf<br>Met1-His766<br>Accession # P15056                                                                 |
| Product Application Details |                                                                                                                                                      |
| Applications                | Western Blot                                                                                                                                         |
| Recommended Dilutions       | Western Blot                                                                                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                               |
