**FAB35484K**

Periostin/OSF-2 Antibody (613643R) [DyLight 488]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Monoclonal                                                                                              |
| Clone                       | 613643R                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG2a                                                                                                   |
| Conjugate                   | DyLight 488                                                                                             |
| Purity                      | Protein A or G purified from cell culture supernatant                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                      |
| Product Description         |                                                                                                         |
| Host                        | Mouse                                                                                                   |
| Gene ID                     | 10631                                                                                                   |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human Periostin/OSF-2 in direct ELISAs.                                                         |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Periostin/OSF-2 Met1-Gln836<br>Accession # Q15063 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                       |
| Product Application Details |                                                                                                         |
| Applications                | ELISA                                                                                                   |
| Recommended Dilutions       | ELISA                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
