| Storage                     | Store at 4C in the dark.                                                                                                                                                        |
| Clonality                   | Monoclonal                                                                                                                                                                      |
| Clone                       | 65529                                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                              |
| Isotype                     | IgG2b                                                                                                                                                                           |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                               |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                 |
| Host                        | Mouse                                                                                                                                                                           |
| Gene ID                     | 650                                                                                                                                                                             |
| Gene Symbol                 | BMP2                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                           |
| Specificity/Sensitivity     | Detects human BMP-2 and human BMP-4 in direct ELISAs and Western blots. In direct ELISAs, this antibody shows no cross-reactivity with recombinant human (rh) BMP-5 or rhBMP-6. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human BMP-2<br>Ala284-Arg396<br>Accession # P12643                                                                                          |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                           |
| Product Application Details |                                                                                                                                                                                 |
| Applications                | Western Blot                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                          |
