Dopa Decarboxylase/DDC Antibody (413911) [Biotin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 413911                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | Biotin                                                                                      |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Host                | Mouse                                                                                                        |
| Gene ID             | 1644                                                                                                         |
| Gene Symbol         | DDC                                                                                                          |
| Species             | Human                                                                                                        |
| Immunogen           | S. frugiperda insect ovarian cell line Sf 21-derived recombinant human DDC Met1-Glu480<br>Accession # P20711 |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Knockout Validated                                       |
| Recommended Dilutions       | Western Blot, Knockout Validated                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
