CX3CL1/Fractalkine Antibody (81513) [Janelia Fluor® 669]

| Product Information         |                                                                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                             |
| Storage                     | Store at 4C in the dark.                                                                                                                |
| Clonality                   | Monoclonal                                                                                                                              |
| Clone                       | 81513                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                      |
| Isotype                     | IgG1                                                                                                                                    |
| Conjugate                   | Janelia Fluor 669                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                      |
| Product Description         |                                                                                                                                         |
| Host                        | Mouse                                                                                                                                   |
| Gene ID                     | 6376                                                                                                                                    |
| Gene Symbol                 | CX3CL1                                                                                                                                  |
| Species                     | Human                                                                                                                                   |
| Specificity/Sensitivity     | Detects human CX3CL1/Fractalkine Chemokine Domain in direct ELISAs and Western blots.                                                   |
| Immunogen                   | NS0 and <i>E. coli</i> -derived recombinant human CX3CL1/Fractalkine Chemokine Domain<br>Gln25-Arg339 (Ser199Asn)<br>Accession # P78423 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                   |
| Product Application Details |                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                  |
