FKBP12 Antibody (422513) [PE]

| Product Information         |                                                                                                                                          |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                   |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                              |
| Storage                     | Store at 4C in the dark.                                                                                                                 |
| Clonality                   | Monoclonal                                                                                                                               |
| Clone                       | 422513                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                       |
| Isotype                     | IgG2b                                                                                                                                    |
| Conjugate                   | PE                                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                               |
| Buffer                      | PBS                                                                                                                                      |
| Product Description         |                                                                                                                                          |
| Host                        | Rat                                                                                                                                      |
| Gene ID                     | 2280                                                                                                                                     |
| Gene Symbol                 | FKBP1A                                                                                                                                   |
| Species                     | Human, Mouse, Rat                                                                                                                        |
| Specificity/Sensitivity     | Detects human, mouse, and rat FKBP12 in Western blots. In Western blots, no cross-reactivity with other FKBP family members is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FKBP12<br>Gly2-Glu108<br>Accession # P62942                                                    |
| Product Application Details |                                                                                                                                          |
| Applications                | Western Blot                                                                                                                             |
| Recommended Dilutions       | Western Blot                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                   |
