M-CSFR/CD115 Antibody (460630) [Dylight 350]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 460630                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2b                                                                                       |
| Conjugate           | DyLight 350                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                                                |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                                                                                                                            |
| Gene ID                 | 1436                                                                                                                                                                                                                           |
| Gene Symbol             | CSF1R                                                                                                                                                                                                                          |
| Species                 | Mouse                                                                                                                                                                                                                          |
| Specificity/Sensitivity | Detects mouse M-CSF R/CD115 in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant human M-CSF R/CD115, recombinant mouse (rm) PDGF R alpha, rmPDGF R beta, or rmFlt-3 Ligand is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse M-CSF R/CD115 Ala20-Ser511<br>Accession # P09581                                                                                                                         |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                              |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
