NPRA/NPR1 Antibody (488620) [PE]

| Product Information         |                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                    |
| Storage                     | Store at 4C in the dark.                                                                                       |
| Clonality                   | Monoclonal                                                                                                     |
| Clone                       | 488620                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                             |
| Isotype                     | IgG2a                                                                                                          |
| Conjugate                   | PE                                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                     |
| Buffer                      | PBS                                                                                                            |
| Product Description         |                                                                                                                |
| Host                        | Rat                                                                                                            |
| Gene ID                     | 4881                                                                                                           |
| Gene Symbol                 | NPR1                                                                                                           |
| Species                     | Mouse                                                                                                          |
| Specificity/Sensitivity     | Detects mouse NPRA/NPR1 in direct ELISAs.                                                                      |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse NPRA/NPR1 Ser29-Glu469 (predicted)<br>Accession # P18293 |
| Product Application Details |                                                                                                                |
| Applications                | Immunohistochemistry                                                                                           |
| Recommended Dilutions       | Immunohistochemistry                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                         |
