Annexin V Antibody (38701) [Janelia Fluor® 646]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 38701                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Janelia Fluor 646                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                          |
|-------------------------|------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                    |
| Gene ID                 | 308                                                                                      |
| Species                 | Human                                                                                    |
| Specificity/Sensitivity | Detects human Annexin V in direct ELISAs.                                                |
| Immunogen               | <i>E. coli</i> -derived recombinant human Annexin V<br>Met1-Asp320<br>Accession # P08758 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.    |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                 |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
