FRS2 Antibody (462902) [DyLight 755]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 462902                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG2b                                                                                       |
| Conjugate                   | DyLight 755                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 10818                                                                                       |
| Gene Symbol                 | FRS2                                                                                        |
| Specificity/Sensitivity     | Detects human FRS2 in direct ELISAs.                                                        |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FRS2<br>Asn121-Asn449<br>Accession # Q8WU20       |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details |                                                                                             |
| Recommended Dilutions       | Intracellular Staining by Flow Cytometry, CyTOF-ready                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
