DC-LAMP Antibody (530217) [Biotin]

| Product Information         |                                                                                                                        |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                            |
| Storage                     | Store at 4C in the dark.                                                                                               |
| Clonality                   | Monoclonal                                                                                                             |
| Clone                       | 530217                                                                                                                 |
| Preservative                | 0.05% Sodium Azide                                                                                                     |
| Isotype                     | IgG2a                                                                                                                  |
| Conjugate                   | Biotin                                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                             |
| Buffer                      | PBS                                                                                                                    |
| Product Description         |                                                                                                                        |
| Host                        | Mouse                                                                                                                  |
| Gene ID                     | 27074                                                                                                                  |
| Gene Symbol                 | LAMP3                                                                                                                  |
| Species                     | Human                                                                                                                  |
| Specificity/Sensitivity     | Detects human DC-LAMP in direct ELISAs. In direct ELISAs, no cross-reactivity with recombinant human LAMP is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human DC-LAMP<br>Asp21-Thr381<br>Accession # EAW78338                  |
| Product Application Details |                                                                                                                        |
| Applications                | Western Blot                                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                 |
