IL-13 Antibody (38213R) [Janelia Fluor® 669]

| Product Information         |                                                                                                                             |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                 |
| Storage                     | Store at 4C in the dark.                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                  |
| Clone                       | 38213R                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                          |
| Isotype                     | IgG2a                                                                                                                       |
| Conjugate                   | Janelia Fluor 669                                                                                                           |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                          |
| Product Description         |                                                                                                                             |
| Host                        | Rat                                                                                                                         |
| Gene ID                     | 3596                                                                                                                        |
| Species                     | Mouse                                                                                                                       |
| Specificity/Sensitivity     | Detects mouse IL-13 in direct ELISAs.                                                                                       |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse IL-13<br>Accession # P20109                                                       |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                       |
| Product Application Details |                                                                                                                             |
| Applications                | Western Blot, ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair), ELISA Standard (Matched Pair) |
| Recommended Dilutions       | Western Blot, ELISA Standard (Matched Pair), ELISA Capture (Matched Antibody Pair), ELISA Detection (Matched Antibody Pair) |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                      |
