Laminin alpha 1 Antibody (775016) [DyLight 488]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | 775016                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG2a                                                                                              |
| Conjugate                   | DyLight 488                                                                                        |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                         |
| Buffer                      | 50mM Sodium Borate                                                                                 |
| Product Description         |                                                                                                    |
| Host                        | Mouse                                                                                              |
| Gene ID                     | 284217                                                                                             |
| Species                     | Human                                                                                              |
| Specificity/Sensitivity     | Detects human Laminin $\alpha$ 1 in direct ELISAs.                                                 |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Laminin $\alpha$ 1<br>Leu22-Met269<br>Accession # P25391 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                  |
| Product Application Details |                                                                                                    |
| Applications                | CyTOF-ready, Immunocytochemistry, Intracellular Staining by Flow Cytometry                         |
| Recommended Dilutions       | Intracellular Staining by Flow Cytometry, Immunocytochemistry, CyTOF-ready                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
