ESAM Antibody (1021723) [PerCP]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Monoclonal                                                                                       |
| Clone                       | 1021723                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG2b                                                                                            |
| Conjugate                   | PerCP                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                       |
| Buffer                      | PBS                                                                                              |
| Product Description         |                                                                                                  |
| Host                        | Mouse                                                                                            |
| Gene ID                     | 90952                                                                                            |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human ESAM in direct ELISAs.                                                             |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human ESAM<br>Gln30-Ala247<br>Accession # Q96AP7 |
| Product Application Details |                                                                                                  |
| Applications                | Flow Cytometry, CyTOF-ready                                                                      |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
