Uteroglobin/SCGB1A1 Antibody (394324) [Biotin]

| Product Information         |                                                                                                    |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                             |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.        |
| Storage                     | Store at 4C in the dark.                                                                           |
| Clonality                   | Monoclonal                                                                                         |
| Clone                       | 394324                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                 |
| Isotype                     | IgG1                                                                                               |
| Conjugate                   | Biotin                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                         |
| Buffer                      | PBS                                                                                                |
| Product Description         |                                                                                                    |
| Host                        | Rat                                                                                                |
| Gene ID                     | 7356                                                                                               |
| Gene Symbol                 | SCGB1A1                                                                                            |
| Species                     | Human                                                                                              |
| Specificity/Sensitivity     | Detects human Uteroglobin/SCGB1A1 in direct ELISAs and Western blots.                              |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Uteroglobin/SCGB1A1<br>Glu22-Asn91<br>Accession # P11684 |
| Product Application Details |                                                                                                    |
| Applications                | Western Blot, Immunohistochemistry                                                                 |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                             |
