FAB42401RN

GFP Antibody (454505R) [Alexa Fluor® 700]

Unit Size Concentration Please see the vial label for concentration. If unlisted please contact technical services. Storage Store at 4C in the dark. Clonality Monoclonal Clone 454505R Preservative O.05% Sodium Azide Sotype IgG1 Conjugate Alexa Fluor 700 Purity Protein A or G purified from cell culture supernatant SomM Sodium Borate Product Description Hots Mouse Multi-Species Specificity/Sensitivity Stains eGFP transfectants but not irrelevant transfectants in flow cytometry. Detects recombinant GFPuv in Western blots. For optimal Western blot results, we recommend R&D systems Goat Anti-GFP Antigen Affinity-purified Polyclonal Antibody (Catalog # AF42421) or Novus Biologicals Mouse Anti-GFP Monocional Antibody (Catalog # MBP2-2211). Inmunogen E. coli-derived recombinant GFPuv Ser2-Lys238 Accession # P42212 Notes Alexa Fluor (R) products are provided under an intellectual property license from Life Technologies Corporation. The purchase of this product conveys to the buyer the non-transferable right to use the purchased product and components of the product only in research conducted by the buyer (whether the buyer is an academic or for-profit entity). The sale of this product can decomponents of the buyer not using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product or its components, or any materials made using the product o	GFF Antibody (454505K) [Alexa	riuolo 700j
