**FAB4448H****Somatostatin R5/SSTR5 Antibody (394401) [HRP]**

| <b>Product Information</b>         |                                                                                                                                    |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                             |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                        |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                           |
| <b>Clonality</b>                   | Monoclonal                                                                                                                         |
| <b>Clone</b>                       | 394401                                                                                                                             |
| <b>Preservative</b>                | No Preservative                                                                                                                    |
| <b>Isotype</b>                     | IgG1                                                                                                                               |
| <b>Conjugate</b>                   | HRP                                                                                                                                |
| <b>Purity</b>                      | 0                                                                                                                                  |
| <b>Buffer</b>                      | PBS                                                                                                                                |
| <b>Product Description</b>         |                                                                                                                                    |
| <b>Host</b>                        | Mouse                                                                                                                              |
| <b>Gene ID</b>                     | 6755                                                                                                                               |
| <b>Gene Symbol</b>                 | SSTR5                                                                                                                              |
| <b>Specificity/Sensitivity</b>     | Detects human Somatostatin R5/SSTR5 in direct ELISAs. Stains Somatostatin R5/SSTR5 transfectants but not irrelevant transfectants. |
| <b>Immunogen</b>                   | NS0 mouse myeloma cell line transfected with human Somatostatin R5/SSTR5 Met1-Leu364<br>Accession # AAK61266                       |
| <b>Product Application Details</b> |                                                                                                                                    |
| <b>Recommended Dilutions</b>       | Flow Cytometry, CyTOF-ready                                                                                                        |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                             |
