GPR37 Antibody (1036313) [FITC]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | 1036313                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                            |
| Isotype                     | IgG2b                                                                                         |
| Conjugate                   | FITC                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                    |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Mouse                                                                                         |
| Gene ID                     | 2861                                                                                          |
| Species                     | Human                                                                                         |
| Specificity/Sensitivity     | Detects human GPR37 in direct ELISAs.                                                         |
| Immunogen                   | Chinese Hamster Ovary cell line CHO-derived human GPR37<br>Leu28-Met265<br>Accession # O15354 |
| Product Application Details |                                                                                               |
| Applications                | Western Blot                                                                                  |
| Recommended Dilutions       | Western Blot                                                                                  |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
