FAK Antibody (495919) [Dylight 405]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 495919                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG2b                                                                                       |
| Conjugate                   | DyLight 405                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | 50mM Sodium Borate                                                                          |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 5747                                                                                        |
| Gene Symbol                 | PTK2                                                                                        |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human FAK in Western blots.                                                         |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FAK<br>Asp213-Thr412<br>Accession # Q05397        |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunohistochemistry, Knockout Validated                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Knockout Validated                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
