PTK7/CCK4 Antibody (525222) [DyLight 680]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 525222                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | DyLight 680                                                                                 |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                           |
|-------------------------|-------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                     |
| Gene ID                 | 5754                                                                                      |
| Gene Symbol             | PTK7                                                                                      |
| Species                 | Human, Rat                                                                                |
| Specificity/Sensitivity | Detects human and rat PTK7/CCK4 in Western blots.                                         |
| Immunogen               | <i>E. coli</i> -derived recombinant human PTK7/CCK4<br>Ala31-Ser199<br>Accession # Q13308 |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Simple Western, Immunohistochemistry                     |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
