# FAB4894JF669

FMR2 Antibody (494025) [Janelia Fluor® 669]

| EMR2 Antibody (494025) [Janelia Fluor® 669] |   |
|---|---|
| Product Information                         |   |
| Unit Size                                   | 0.1 ml  |
| Concentration                               | Please see the vial label for concentration. If unlisted please contact technical services.     |
| Storage                                     | Store at 4C in the dark.  |
| Clonality                                   | Monoclonal  |
| Clone                                       | 494025  |
| Preservative                                | 0.05% Sodium Azide  |
| Isotype                                     | lgG2b   |
| Conjugate                                   | Janelia Fluor 669   |
| Purity                                      | 0   |
| Buffer                                      | 50mM Sodium Borate  |
| Product Description                         |   |
| Host  | Mouse   |
| Gene ID                                     | 30817   |
| Gene Symbol                                 | EMR2  |
| Species                                     | Human   |
| Specificity/Sensitivity                     | Detects human EMR2 in EMR2-transfected cells but not in the parental cell line.                 |
| Immunogen                                   | NS0 mouse myeloma cell line transfected with human EMR2<br>Gln24-Asn823<br>Accession # AAI27006 |
| Notes                                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.           |
| Product Application Details                 |   |
| Applications                                | Flow Cytometry, CyTOF-ready   |
| Recommended Dilutions                       | Flow Cytometry, CyTOF-ready   |
| Application Notes                           | Optimal dilution of this antibody about he experimentally determined                            |

| <b>Product Application Details</b> |  |
|------------------------------------|--|
| Applications                       | Flow Cytometry, CyTOF-ready  |
| Recommended Dilutions              | Flow Cytometry, CyTOF-ready  |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined. |
