CD63 Antibody (2585J) [Janelia Fluor® 525]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 2585J                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG                                                                                         |
| Conjugate           | Janelia Fluor 525                                                                           |
| Purity              | Protein A or G purified from cell culture supernatant                                       |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------|
| Host                    | Rabbit                                                                                          |
| Gene ID                 | 967                                                                                             |
| Species                 | Human                                                                                           |
| Specificity/Sensitivity | Detects human CD63 in direct ELISAs.                                                            |
| Immunogen               | Chinese Hamster Ovary cell line CHO-derived human CD63<br>Ala103-Val203<br>Accession # P08962-1 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.           |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready        |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
