**FAB5145A**

Caspr2 Antibody (840727) [Allophycocyanin]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | 840727                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG1                                                                                                |
| Conjugate                   | Allophycocyanin                                                                                     |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                          |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Mouse                                                                                               |
| Gene ID                     | 26047                                                                                               |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human Caspr2 in direct ELISAs.                                                              |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Caspr2<br>Pro29-Ala1262<br>Accession # Q9UHC6 |
| Product Application Details |                                                                                                     |
| Applications                | Flow Cytometry, CyTOF-ready                                                                         |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
