| Clonality                   | Monoclonal                                                                                                                                                                              |
| Clone                       | 686921                                                                                                                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                      |
| Isotype                     | IgG1                                                                                                                                                                                    |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                       |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                         |
| Host                        | Mouse                                                                                                                                                                                   |
| Gene ID                     | 309                                                                                                                                                                                     |
| Gene Symbol                 | ANXA6                                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human Annexin A6 in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant human Annexin A1, A2, A3, A4, A8, A9, A10, A11, or A13 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Annexin A6<br>Ala2-Asp673<br>Accession # P08133                                                                                               |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                   |
| Product Application Details |                                                                                                                                                                                         |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                  |
