**FAB5259A**

IL-28B/IFN-lambda 3 Antibody (567143) [Allophycocyanin]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 567143                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | Allophycocyanin                                                                             |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                            |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                      |
| Gene ID                 | 282617                                                                                                                                                                                     |
| Gene Symbol             | IFNL3                                                                                                                                                                                      |
| Species                 | Human                                                                                                                                                                                      |
| Specificity/Sensitivity | Detects human IL-28B/IFN-λ3 in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant human (rh) IL-28A, rhIL-29, or recombinant mouse IL-28 is observed. |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human IL-28B/IFN-λ3<br>Arg30-Val200 (Lys74Arg)<br>Accession # AAN28264                                                             |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
