T-bet/TBX21 Antibody (525803) [Dvl ight 680]

| I-bet/TBX21 Antibody (525803) [DyLight 680] |   |  |
|---|---|--|
| Product Information                         |   |  |
| Unit Size                                   | 0.1 ml  |  |
| Concentration                               | Please see the vial label for concentration. If unlisted please contact technical services. |  |
| Storage                                     | Store at 4C in the dark.  |  |
| Clonality                                   | Monoclonal  |  |
| Clone                                       | 525803  |  |
| Preservative                                | 0.05% Sodium Azide  |  |
| Isotype                                     | IgG1  |  |
| Conjugate                                   | DyLight 680   |  |
| Purity                                      | Protein A or G purified from hybridoma culture supernatant                                  |  |
| Buffer                                      | 50mM Sodium Borate  |  |
| Product Description                         |   |  |
| Host  | Mouse   |  |
| Gene ID                                     | 30009   |  |
| Gene Symbol                                 | TBX21   |  |
| Species                                     | Human   |  |
| Specificity/Sensitivity                     | Detects human T-bet.  |  |
| Immunogen                                   | E. coli-derived recombinant human T-bet Glu326-Asn535 Accession # Q9UL17                    |  |
| Notes                                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.           |  |
| Product Application Details                 |   |  |
| Applications                                | Western Blot, Immunocytochemistry, Intracellular Staining by Flow Cytometry                 |  |
| Recommended Dilutions                       | Western Blot, Intracellular Staining by Flow Cytometry, Immunocytochemistry                 |  |

| <b>Product Application Details</b> |   |
|------------------------------------|---|
| Applications                       | Western Blot, Immunocytochemistry, Intracellular Staining by Flow Cytometry |
| Recommended Dilutions              | Western Blot, Intracellular Staining by Flow Cytometry, Immunocytochemistry |
| Application Notes                  | Optimal dilution of this antibody should be experimentally determined.      |
