Synaptophysin Antibody (959904) [HRP]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 959904                                                                                       |
| Preservative                | No Preservative                                                                              |
| Isotype                     | IgG2b                                                                                        |
| Conjugate                   | HRP                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | PBS                                                                                          |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 6855                                                                                         |
| Species                     | Human                                                                                        |
| Specificity/Sensitivity     | Detects human Synaptophysin in direct ELISAs.                                                |
| Immunogen                   | <i>E.coli</i> -derived recombinant human Synaptophysin<br>Glu50-Phe106<br>Accession # P08247 |
| Product Application Details |                                                                                              |
| Applications                | Immunohistochemistry, Immunocytochemistry                                                    |
| Recommended Dilutions       | Immunohistochemistry, Immunocytochemistry                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
