TSLP Antibody (152614) [PE]

| Product Information         |                                                                                                                       |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                           |
| Storage                     | Store at 4C in the dark.                                                                                              |
| Clonality                   | Monoclonal                                                                                                            |
| Clone                       | 152614                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                    |
| Isotype                     | IgG2a                                                                                                                 |
| Conjugate                   | PE                                                                                                                    |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                            |
| Buffer                      | PBS                                                                                                                   |
| Product Description         |                                                                                                                       |
| Host                        | Rat                                                                                                                   |
| Gene ID                     | 85480                                                                                                                 |
| Gene Symbol                 | TSLP                                                                                                                  |
| Species                     | Mouse                                                                                                                 |
| Specificity/Sensitivity     | Detects mouse TSLP in Western blots.                                                                                  |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse TSLP Tyr20-Glu140<br>Accession # Q9JIE6 |
| Product Application Details |                                                                                                                       |
| Applications                | Western Blot, Neutralization                                                                                          |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                |
