**FAB5710H**

Rap2B Antibody (455517) [HRP]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Monoclonal                                                                                          |
| Clone                       | 455517                                                                                              |
| Preservative                | No Preservative                                                                                     |
| Isotype                     | IgG2a                                                                                               |
| Conjugate                   | HRP                                                                                                 |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                          |
| Buffer                      | PBS                                                                                                 |
| Product Description         |                                                                                                     |
| Host                        | Mouse                                                                                               |
| Gene ID                     | 5912                                                                                                |
| Gene Symbol                 | RAP2B                                                                                               |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human Rap2B in Western blots. No cross-reactivity with recombinant human Rap2A is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Rap2B<br>Met1-Leu183<br>Accession # P61225                |
| Product Application Details |                                                                                                     |
| Applications                | Western Blot                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
