L-Selectin/CD62L Antibody (95218) [mFluor Violet 500 SE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.5 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 95218                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | mFluor Violet 500 SE                                                                        |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                                                                                                                                        |

| Host                    | Rat                                                                                                                                                                                                                                    |
| Gene ID                 | 6402                                                                                                                                                                                                                                   |
| Gene Symbol             | SELL                                                                                                                                                                                                                                   |
| Species                 | Mouse                                                                                                                                                                                                                                  |
| Specificity/Sensitivity | Detects mouse L $\alpha$ Selectin/CD62L in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human L-Selectin, recombinant mouse (rm) E-Selectin, or rmP-Selectin is observed. |
| Immunogen               | Mouse myeloma cell line NS0-derived recombinant mouse L $\alpha$ Selectin/CD62L Met1-Asn332<br>Accession # P18337                                                                                                                      |
| Notes                   | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.  |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Flow Cytometry, CyTOF-ready                                            |
| Recommended Dilutions       | Flow Cytometry, CyTOF-ready                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
