VAP-A Antibody (604101) [DyLight 755]

| Product Information         |                                                                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                      |
| Storage                     | Store at 4C in the dark.                                                                                                                                         |
| Clonality                   | Monoclonal                                                                                                                                                       |
| Clone                       | 604101                                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                               |
| Isotype                     | IgG2a                                                                                                                                                            |
| Conjugate                   | DyLight 755                                                                                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                               |
| Product Description         |                                                                                                                                                                  |
| Host                        | Mouse                                                                                                                                                            |
| Gene ID                     | 9218                                                                                                                                                             |
| Gene Symbol                 | VAPA                                                                                                                                                             |
| Species                     | Human                                                                                                                                                            |
| Specificity/Sensitivity     | Detects human VAP□A in direct ELISAs and Western blots. In direct ELISAs, no cross-reactivity with recombinant human VAP-B or recombinant rat VAP-B is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human VAP-A<br>Ala2-Met132<br>Accession # Q9P0L0                                                                             |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                |
| Product Application Details |                                                                                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                           |
