

# Product Datasheet

## **NGL-3/LRRC4B/LRCH4B Antibody (702008)**

**[Allophycocyanin]**

**FAB69191A**

Unit Size: 0.1 ml

Store at 4C in the dark.

| Storage                     | Store at 4C in the dark.                                                                                                                                                                    |
| Clonality                   | Monoclonal                                                                                                                                                                                  |
| Clone                       | 702008                                                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                          |
| Isotype                     | IgG2a                                                                                                                                                                                       |
| Conjugate                   | Allophycocyanin                                                                                                                                                                             |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                             |
| Host                        | Mouse                                                                                                                                                                                       |
| Gene ID                     | 94030                                                                                                                                                                                       |
| Gene Symbol                 | LRRC4B                                                                                                                                                                                      |
| Species                     | Human                                                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human NGL-3/LRRC4B in direct ELISAs and Western blots. In direct ELISAs and Western blots, no cross-reactivity with recombinant human (rh) LRRC3, rhLRRC4, or rhLRRC32 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human NGL-3/LRRC4B<br>Ala47-Lys576<br>Accession # Q9NT99                                                                            |
| Product Application Details |                                                                                                                                                                                             |
| Applications                | Western Blot                                                                                                                                                                                |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                      |
