Tenascin X Antibody (766842) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 766842                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                                  |
| Gene ID                 | 7148                                                                                                                                                                                   |
| Gene Symbol             | TNXB                                                                                                                                                                                   |
| Species                 | Human                                                                                                                                                                                  |
| Specificity/Sensitivity | Detects human Tenascin XB2 in ELISAs and Western blots. Also detects Tenascin X in Western blots. In direct ELISAs, no cross-reactivity with recombinant human Tenascin R is observed. |
| Immunogen               | Chinese hamster ovary cell line CHO-derived recombinant human Tenascin XB2 Met1-Tyr673<br>Accession # AAH33740                                                                         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
