**FAB7087E**

Sulfatase-2/SULF2 Antibody (2B4) [DyLight 405]

| Product Information         |                                                                                                        |
|-----------------------------|--------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                 |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.            |
| Storage                     | Store at 4C in the dark.                                                                               |
| Clonality                   | Monoclonal                                                                                             |
| Clone                       | 2B4                                                                                                    |
| Preservative                | 0.05% Sodium Azide                                                                                     |
| Isotype                     | IgG1                                                                                                   |
| Conjugate                   | DyLight 405                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                             |
| Buffer                      | 50mM Sodium Borate                                                                                     |
| Product Description         |                                                                                                        |
| Host                        | Mouse                                                                                                  |
| Gene ID                     | 55959                                                                                                  |
| Gene Symbol                 | SULF2                                                                                                  |
| Species                     | Human, Mouse                                                                                           |
| Specificity/Sensitivity     | Detects human Sulfatase-2/SULF2 in direct ELISAs and Western blots.                                    |
| Immunogen                   | Recombinant human Sulfatase-2/SULF2, used to immunize a SULF2-deficient mouse<br>Accession # NP_940998 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                      |
| Product Application Details |                                                                                                        |
| Applications                | Western Blot                                                                                           |
| Recommended Dilutions       | Western Blot                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                 |
