**FAB7104P**

Hormone-sensitive Lipase/HSL Antibody (729923) [PE]

| Product Information         |                                                                                                            |
|-----------------------------|------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                     |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| Storage                     | Store at 4C in the dark.                                                                                   |
| Clonality                   | Monoclonal                                                                                                 |
| Clone                       | 729923                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                         |
| Isotype                     | IgG2b                                                                                                      |
| Conjugate                   | PE                                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                 |
| Buffer                      | PBS                                                                                                        |
| Product Description         |                                                                                                            |
| Host                        | Mouse                                                                                                      |
| Gene ID                     | 3991                                                                                                       |
| Gene Symbol                 | LIPE                                                                                                       |
| Species                     | Human                                                                                                      |
| Specificity/Sensitivity     | Detects human Hormone-sensitive Lipase/HSL in direct ELISAs.                                               |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Hormone-sensitive Lipase/HSL Met302-Leu425<br>Accession # Q05469 |
| Product Application Details |                                                                                                            |
| Applications                | Western Blot, Immunohistochemistry                                                                         |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                     |
