**FAB7158F**

Ribosomal Protein L17 Antibody (702142) [FITC]

| Product Information         |                                                                                                                   |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                            |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                       |
| Storage                     | Store at 4C in the dark.                                                                                          |
| Clonality                   | Monoclonal                                                                                                        |
| Clone                       | 702142                                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                                |
| Isotype                     | IgG1                                                                                                              |
| Conjugate                   | FITC                                                                                                              |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                        |
| Buffer                      | PBS                                                                                                               |
| Product Description         |                                                                                                                   |
| Host                        | Mouse                                                                                                             |
| Gene ID                     | 6139                                                                                                              |
| Gene Symbol                 | RPL17                                                                                                             |
| Species                     | Human, Mouse                                                                                                      |
| Specificity/Sensitivity     | Detects human Ribosomal Protein L17 in direct ELISAs, and human and mouse Ribosomal Protein L17 in Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Ribosomal Protein L17<br>Cys70-Glu184<br>Accession # P18621             |
| Product Application Details |                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                            |
