FTO Antibody (729722) [Biotin]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 729722                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG1                                                                                        |
| Conjugate                   | Biotin                                                                                      |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 79068                                                                                       |
| Gene Symbol                 | FTO                                                                                         |
| Species                     | Human                                                                                       |
| Specificity/Sensitivity     | Detects human FTO in direct ELISAs and Western blots.                                       |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FTO<br>Met1-Arg178<br>Accession # Q9C0B1          |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunoprecipitation                                                           |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
