| Gene Symbol             | TNFRSF19                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| Species                 | Mouse                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| Specificity/Sensitivity | Detects mouse TROY/TNFRSF19 in direct ELISAs and Western blots. In Western blots, no cross-reactivity with recombinant mouse (rm) 4-1BB, rmBAFF R, recombinant human RELT, rmCD3, rhDR6, rmDR3, rhTRADD, rmEDAR, recombinant rat FAS, rmFAS, rmGITR, rmHVEM, rmLymphotoxin $\beta$ R, rmNGF R, rmOPG, rmRANK, rmTNF RII, rmDcTRAIL R2, rmDcTRAIL RI, rmOX40, rhTRAIL R3, rhTNF RII, rmTWEAK, rmTRAIL, rmCD27, rmCD40, rhTNF RI, or rmTNF RI is observed. |
| Immunogen               | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse TROY/TNFRSF19<br>Glu30-Leu170<br>Accession # Q9JLL3                                                                                                                                                                                                                                                                                                                        |
| Notes                   | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                                                                                                                                                                                                        |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot                                                           |
| Recommended Dilutions       | Western Blot                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
