**FAB7519H**

Gephyrin/GPHN Antibody (807423) [HRP]

| Product Information         |                                                                                               |
|-----------------------------|-----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.   |
| Storage                     | Store at 4C in the dark.                                                                      |
| Clonality                   | Monoclonal                                                                                    |
| Clone                       | 807423                                                                                        |
| Preservative                | No Preservative                                                                               |
| Isotype                     | IgG1                                                                                          |
| Conjugate                   | HRP                                                                                           |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                    |
| Buffer                      | PBS                                                                                           |
| Product Description         |                                                                                               |
| Host                        | Mouse                                                                                         |
| Gene ID                     | 10243                                                                                         |
| Gene Symbol                 | GPHN                                                                                          |
| Species                     | Human, Mouse                                                                                  |
| Specificity/Sensitivity     | Detects human Gephyrin/GPHN in direct ELISAs and human and mouse Gephyrin/GPHN Western blots. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Gephyrin/GPHN<br>Ala2-Ser188<br>Accession # Q9NQX3  |
| Product Application Details |                                                                                               |
| Applications                | Western Blot, Immunohistochemistry                                                            |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                        |
