Cytokeratin 18 Antibody (810811) [Janelia Fluor® 669]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 810811                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 669                                                                           |
| Purity              | 0                                                                                           |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                 |
|-------------------------|-------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                           |
| Gene ID                 | 3875                                                                                            |
| Gene Symbol             | KRT18                                                                                           |
| Species                 | Human                                                                                           |
| Specificity/Sensitivity | Detects human Cytokeratin 18 in direct ELISAs and Western blots.                                |
| Immunogen               | <i>E. coli</i> -derived recombinant human Cytokeratin 18<br>Ala239-Asp397<br>Accession # P05783 |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.           |

| Product Application Details |                                                                         |
|-----------------------------|-------------------------------------------------------------------------|
| Applications                | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry |
| Recommended Dilutions       | Western Blot, Simple Western, Immunohistochemistry, Immunocytochemistry |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.  |
