TCF-3/E2A Antibody (826927) [PerCP]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 826927                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG2a                                                                                       |
| Conjugate           | PerCP                                                                                       |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                    |
|-------------------------|--------------------------------------------------------------------------------------------------------------------|
| Host                    | Rat                                                                                                                |
| Gene ID                 | 6929                                                                                                               |
| Gene Symbol             | TCF3                                                                                                               |
| Species                 | Mouse                                                                                                              |
| Specificity/Sensitivity | Detects mouse TCF□3/E2A in ELISAs. In direct ELISAs, no cross-reactivity with recombinant human TCF-3 is observed. |
| Immunogen               | <i>E. coli</i> -derived recombinant mouse TCF□3/E2A<br>Asn33-Arg159<br>Accession # P15806                          |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Western Blot, Immunohistochemistry                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
