| Clonality                   | Monoclonal                                                                                                                                                                               |
| Clone                       | 763524                                                                                                                                                                                   |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                       |
| Isotype                     | IgG1                                                                                                                                                                                     |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                                        |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                          |
| Host                        | Mouse                                                                                                                                                                                    |
| Gene ID                     | 8945                                                                                                                                                                                     |
| Gene Symbol                 | BTRC                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects human BetaTrCP1 isoform 2 in direct ELISAs and Western blots. Detects mouse BetaTrCP1 in Western Blots. Detection of mouse BetaTrCP1 in Immunocytochemistry has not been tested. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human $\beta$ -TrCP1 isoform 2<br>Met1-Leu120<br>Accession # Q9Y297-2                                                                                |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                    |
| Product Application Details |                                                                                                                                                                                          |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                   |
