EGLN1/PHD2 Antibody (2445D) [PerCP]

| Product Information         |                                                                                                                               |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                        |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                   |
| Storage                     | Store at 4C in the dark.                                                                                                      |
| Clonality                   | Monoclonal                                                                                                                    |
| Clone                       | 2445D                                                                                                                         |
| Preservative                | 0.05% Sodium Azide                                                                                                            |
| Isotype                     | IgG                                                                                                                           |
| Conjugate                   | PerCP                                                                                                                         |
| Purity                      | Protein A or G purified from cell culture supernatant                                                                         |
| Buffer                      | PBS                                                                                                                           |
| Product Description         |                                                                                                                               |
| Host                        | Rabbit                                                                                                                        |
| Gene ID                     | 54583                                                                                                                         |
| Species                     | Human, Mouse                                                                                                                  |
| Specificity/Sensitivity     | Detects human EGLN1/PHD2 in direct ELISAs. Detects human and mouse EGLN1/PHD2 in Western blots.                               |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human EGLN1/PHD2<br>Ala2-Phe426<br>Accession # Q9QZT9 |
| Product Application Details |                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry                                                                                            |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                        |
