**FAB78291H**

Afadin/AF-6 Antibody (851204) [HRP]

| Product Information         |                                                                                              |
|-----------------------------|----------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.  |
| Storage                     | Store at 4C in the dark.                                                                     |
| Clonality                   | Monoclonal                                                                                   |
| Clone                       | 851204                                                                                       |
| Preservative                | No Preservative                                                                              |
| Isotype                     | IgG1                                                                                         |
| Conjugate                   | HRP                                                                                          |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                   |
| Buffer                      | PBS                                                                                          |
| Product Description         |                                                                                              |
| Host                        | Mouse                                                                                        |
| Gene ID                     | 4301                                                                                         |
| Gene Symbol                 | AFDN                                                                                         |
| Species                     | Human                                                                                        |
| Specificity/Sensitivity     | Detects human Afadin/AF-6 in direct ELISAs.                                                  |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Afadin/AF-6<br>Asn217-Pro392<br>Accession # P55196 |
| Product Application Details |                                                                                              |
| Applications                | Western Blot, Immunocytochemistry                                                            |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                       |
