**FAB7947H**

Neurogranin Antibody (898502) [HRP]

| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Monoclonal                                                                                  |
| Clone                       | 898502                                                                                      |
| Preservative                | No Preservative                                                                             |
| Isotype                     | IgG3                                                                                        |
| Conjugate                   | HRP                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Mouse                                                                                       |
| Gene ID                     | 4900                                                                                        |
| Gene Symbol                 | NRGN                                                                                        |
| Species                     | Human, Mouse, Rat                                                                           |
| Specificity/Sensitivity     | Detects human Neurogranin in ELISAs.                                                        |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Neurogranin<br>Met1-Asp78<br>Accession # Q92686   |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Immunohistochemistry                                                          |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
