PARD3/Par3 Antibody (833517) [FITC]

| Product Information         |                                                                                                                              |
|-----------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                  |
| Storage                     | Store at 4C in the dark.                                                                                                     |
| Clonality                   | Monoclonal                                                                                                                   |
| Clone                       | 833517                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                           |
| Isotype                     | IgG1                                                                                                                         |
| Conjugate                   | FITC                                                                                                                         |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                   |
| Buffer                      | PBS                                                                                                                          |
| Product Description         |                                                                                                                              |
| Host                        | Mouse                                                                                                                        |
| Gene ID                     | 56288                                                                                                                        |
| Gene Symbol                 | PARD3                                                                                                                        |
| Species                     | Human                                                                                                                        |
| Specificity/Sensitivity     | Detects human PARD3/Par3 in ELISAs. In direct ELISAs, 100% cross-reactivity with recombinant human PARD3b/Par3b is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human PARD3/Par3<br>Tyr451-Glu555<br>Accession # Q8TEW0                                  |
| Product Application Details |                                                                                                                              |
| Applications                | Immunocytochemistry                                                                                                          |
| Recommended Dilutions       | Immunocytochemistry                                                                                                          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                       |
