Angiopoietin-1 Antibody (892732) [Janelia Fluor® 549]

| Product Information         |                                                                                                                                                              |
|-----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                       |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                  |
| Storage                     | Store at 4C in the dark.                                                                                                                                     |
| Clonality                   | Monoclonal                                                                                                                                                   |
| Clone                       | 892732                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                           |
| Isotype                     | IgG1                                                                                                                                                         |
| Conjugate                   | Janelia Fluor 549                                                                                                                                            |
| Purity                      | Protein A or G purified from hybridoma culture supernatant                                                                                                   |
| Buffer                      | 50mM Sodium Borate                                                                                                                                           |
| Product Description         |                                                                                                                                                              |
| Host                        | Rat                                                                                                                                                          |
| Gene ID                     | 284                                                                                                                                                          |
| Gene Symbol                 | ANGPT1                                                                                                                                                       |
| Species                     | Mouse                                                                                                                                                        |
| Specificity/Sensitivity     | Detects mouse Angiopoietin $\square$ 1 in ELISA and Western Blot. In ELISA, no cross-reactivity with recombinant mouse Angiopoietin $\square$ 2 is detected. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant mouse Angiopoietin $\square$ 1<br>Ser20-Phe498<br>Accession # O08538                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                        |
| Product Application Details |                                                                                                                                                              |
| Applications                | Western Blot                                                                                                                                                 |
| Recommended Dilutions       | Western Blot                                                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                       |
