**FAB8241I**

BCL-W/BCL2L2 Antibody (90336) [Janelia Fluor® 549]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.25 ml                                                                                     |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 90336                                                                                       |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | Janelia Fluor 549                                                                           |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | 50mM Sodium Borate                                                                          |

| Product Description     |                                                                                                                         |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                   |
| Gene ID                 | 599                                                                                                                     |
| Gene Symbol             | BCL2L2                                                                                                                  |
| Species                 | Human, Mouse                                                                                                            |
| Specificity/Sensitivity | Detects human and mouse Bcl-w. Neutralizes recombinant human and mouse Bcl-w, but not recombinant human Bcl-2 or Bcl-x. |
| Immunogen               | <i>E. coli</i> -derived recombinant human Bcl-w<br>Met1-Thr172<br>Accession # Q92843                                    |
| Notes                   | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                   |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Applications                | Neutralization                                                         |
| Recommended Dilutions       | Neutralization                                                         |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
