**FAB834C**

Caspase-10/FLICE2 Antibody (63131) [PerCP]

| Product Information         |                                                                                                           |
|-----------------------------|-----------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.               |
| Storage                     | Store at 4C in the dark.                                                                                  |
| Clonality                   | Monoclonal                                                                                                |
| Clone                       | 63131                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                        |
| Isotype                     | IgG2b                                                                                                     |
| Conjugate                   | PerCP                                                                                                     |
| Purity                      | Protein A or G purified from ascites                                                                      |
| Buffer                      | PBS                                                                                                       |
| Product Description         |                                                                                                           |
| Host                        | Mouse                                                                                                     |
| Gene ID                     | 843                                                                                                       |
| Gene Symbol                 | CASP10                                                                                                    |
| Species                     | Human                                                                                                     |
| Specificity/Sensitivity     | Detects human Caspase-10 in Western blots.                                                                |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Caspase-10/a/B (Mch 4)<br>Val220-Ile479<br>Accession # AAC50644 |
| Product Application Details |                                                                                                           |
| Applications                | Western Blot                                                                                              |
| Recommended Dilutions       | Western Blot                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                    |
