MRGPRF Antibody (916219) [PE]

| Product Information |                                                                                             |
|---------------------|---------------------------------------------------------------------------------------------|
| Unit Size           | 0.1 ml                                                                                      |
| Concentration       | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage             | Store at 4C in the dark.                                                                    |
| Clonality           | Monoclonal                                                                                  |
| Clone               | 916219                                                                                      |
| Preservative        | 0.05% Sodium Azide                                                                          |
| Isotype             | IgG1                                                                                        |
| Conjugate           | PE                                                                                          |
| Purity              | Protein A or G purified from hybridoma culture supernatant                                  |
| Buffer              | PBS                                                                                         |

| Product Description     |                                                                                                                                                                        |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                    | Mouse                                                                                                                                                                  |
| Gene ID                 | 116535                                                                                                                                                                 |
| Gene Symbol             | MRGPRF                                                                                                                                                                 |
| Specificity/Sensitivity | Detects HEK293 human embryonic kidney cell line transfected with human MRGPRF by Flow Cytometry. Does not detect untransfected or irrelevant transfected HEK293 cells. |
| Immunogen               | NS0 mouse myeloma cell line transfected with human MRGPRF Met1-Ser343<br>Accession # NP_659452                                                                         |

| Product Application Details |                                                                        |
|-----------------------------|------------------------------------------------------------------------|
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined. |
